

NO TRICKS –
Just Treats!

Be sure to add Sierra Place Senior Living to your trick-or-treating route this year! Bring along the kids and grandkids for a spook-tacular opportunity to get their hands on some delicious Halloween candy. Stop by our spookily decorated courtyard and garden to load up on sweet treats and say hello to our residents and staff. We're happy to add a safe, friendly stop to your family's Halloween festivities!
